The chart illustrates the projected increase in the number of people aged 65 and over in the UK. The x-axis represents the year, with labels for 2023 and 2044. The y-axis represents the number of people in millions, with labels at 0, 0.5, 1, 1.5, and 2. The data is represented by a blue line with circular markers at the start and end points, and the area beneath the line is filled with a solid blue color. The line starts at 1.0 million in 2023 and rises steadily to 2.0 million in 2044.
