The chart illustrates the projected increase in the number of people aged 65 and over in the United Kingdom from 2023 to 2040. The y-axis represents the number of people in millions, ranging from 0 to 4. The x-axis shows the years 2023 and 2040. The data points are connected by a straight line, indicating a steady increase over the 17-year period.

Year	Number of people aged 65 and over (millions)
2023	2.0
2040	4.0
