

## Core Project OT2OD030545

### Overview

High-level info about this project.

#### Projects

3OT2OD030545-01S4  
1OT2OD030545-01  
3OT2OD030545-01S3  
3OT2OD030545-01S5  
3OT2OD030545-01S2  
3OT2OD030545-01S1

#### Name

Amplifying the Value of HuBMAP  
Data Through Data Interoperability  
and Collaboration

#### Award

\$3.1M

#### Publications

7 publications

#### Repositories

- repositories

#### Analytics

- properties

 Publications

Published works associated with this project.

| ID                                                                                                                                                                                                                      | Title                                                                             | Authors                                                    | RC<br>R       | SJ<br>R       | Cita<br>tion<br>s | Cit.<br>/ye<br>ar | Journal         | Publ<br>ishe<br>d | Upda<br>ted  |

a

### Notes

|              |                                                                             |
|--------------|-----------------------------------------------------------------------------|
| Repository   | For storing, tracking changes to, and collaborating on a piece of software. |
| PR           | "Pull request", a draft change (new feature, bug fix, etc.) to a repo.      |
| Closed/Open  | Resolved/unresolved.                                                        |
| Issue/PR Avg | Average time issues/pull requests stay open for before being closed.        |

## Analytics

Website metrics associated with this project.

Sorry, you're not authorized to view this data

### Notes

Active Users      [Distinct users who visited the website](#) .

New Users      [Users who visited the website for the first time](#) .

Engaged Sessions      [Visits that had significant interaction](#) .

"Top" metrics are measured by number of engaged sessions.
