a

### Notes

|              |                                                                             |
|--------------|-----------------------------------------------------------------------------|
| Repository   | For storing, tracking changes to, and collaborating on a piece of software. |
| PR           | "Pull request", a draft change (new feature, bug fix, etc.) to a repo.      |
| Closed/Open  | Resolved/unresolved.                                                        |
| Issue/PR Avg | Average time issues/pull requests stay open for before being closed.        |

## Analytics

Website metrics associated with this project.

Sorry, you're not authorized to view this data

### Notes

Active Users      [Distinct users who visited the website](#) .

New Users      [Users who visited the website for the first time](#) .

Engaged Sessions      [Visits that had significant interaction](#) .

"Top" metrics are measured by number of engaged sessions.
